Welcome back to Term 2!

We hope everyone had safe and enjoyable holidays. There may be a few new faces that you see in our unit this term. Cassie is a student teacher from Monash University and will be in our unit for four weeks. Melissa is from RMIT and will be in our unit this term on Thursdays.

We are looking forward to a wonderful term!

Kristen Hornby & Kelvin Broadway

On Wednesday we immersed ourselves into the exploration of the “past”. The students were very excited when they found their teachers dressed as though they were from the “olden days”. They enjoyed playing games that children used to play, including hopscotch, marbles and skipping. They posed for old-fashioned photos and listened to stories. Have a look on our blog to see more photos!
Grade 2 News

We would like to welcome three new families to our Grade 2 Community. A big warm welcome to Thando, Gholam and Kofi. We hope that you all experience a rewarding, fulfilling learning journey at Wooranna Park Primary School!

Morning Working Bee in Grade 2
On Monday 29th April we would love to have a “Working Bee” in Grade 2. Some jobs that we would like assistance with are sharpening pencils and contacting learning books.

Could you help us please?

Our Project

what do you know about the “past”?

Responses to the above question...

“The olden days were a long time ago” Brian.
“The olden days were invented after the dinosaurs were killed” Tori.
“Money has changed” Ali.
“They only used sail boats to travel because there weren’t any engines or electricity” Hafiz
“There were no iPads or iPods” Sarsha.
“Before plastic there was metal, so toys were made of metal” Nathan B.
“There were no photos” Nyachuot.
“Photos were black and white” Connor.

Have you looked at our Blog?

FACT:
We have had 581 visitors to our blog this year from 16 countries.

Have you seen our ANZAC Day wreath?

There has been lots of learning from Learning Agreement shared!
