Congratulations to Miniya, Milan, Brian and Hussnain!
They attended the Junior Chess Competition at Toorak Collage. Thank you to Miron for his dedication to assist the Grade 2’s to develop their strategies.

Have you played against your child yet? Maybe we can arrange a parent’s chess tournament! Come and see us if you are interested.

On Friday 10th May the Grade 2’s went to the State Library in the City. A very big THANK YOU to our helpers that attended the excursion.

Visit our Blog to write a reflection with your child on their day, what they saw in the State Library and the activities that they participated in!

Talking and sharing

In life we sometimes take conversations that we have for granted. Conversations can assist your child to increase their vocabulary, their communication skills, relationships and also their confidence in sharing their thinking.

Maybe start with the following suggestions. Going around with each family member, each person shares:

- One thing that they really enjoyed for the day.
- Something that made them laugh.
- A kind gesture that someone did for them.
- Something that they learned that day.

Give it a go! Is there another sentence starter that you use? We would love to hear what your family shares with each other.

We always appreciate help in our grade 2 community, including:

- Sharpening pencils
- Reading with students
- Laminating

Are you able to help? Please speak to either Kelvin or Kristen.

Our daily routine is for the Grade 2’s to borrow a book from Da Vinci before school, to ensure they always have a book to read at home.

Please support your child by expecting them to have a borrowed book in their pouch daily.
