Grade 2

We would like to give a very warm welcome to our newest Grade Two member, Esther.

Esther is currently a fourth year student, studying education. Recently, she was with the 5/6’s on placement and made quite an impression.

Esther will be working in the Grade Two unit on Mondays, Wednesdays, Thursdays and Fridays from 9.00 to 12.30. The children have already started to form a rapport with her and have welcomed her warmly.

Welcome

3. Choose the teacher and the time that best suits you.

If you need assistance or would like to use a school computer, please see us 😊

We always appreciate help in our grade 2 community, including:
• Sharpening pencils
• Reading with students
• Laminating

Are you able to help? Please speak to either Kelvin or Kristen.

Our daily routine is for the Grade 2’s to borrow a book from Da Vinci before school, to ensure they always have a book to read at home.

Please support your child by expecting them to have a borrowed book in their pouch daily.

Posted on June 4, 2013 by khorny

Today in LA we did a session on how to plan for robotics. We created a plan together, and then we worked together to try and follow the plan. It was challenging!
